Andy Graham, Nathan Jess, Owen Crane, Ryan Griffith and Karen Alexander

### Verse 1

**A E C#m B**

Christ the risen Saviour, the name above all names

**A E C#m B**

Has rescued us from darkness and humbly bore our shame

Poured His love upon us, the enemies of God

And now we stand adopted in the shadow of the cross

### Verse 2

We'll dance against injustice, and heed the words He said

Give refuge to the orphan and lift the widow's head

We'll live the great commission, to seek and love the lost

And bring the brokenhearted to the shelter of the cross

### Chorus

**C#m B E A E**

We will sing of Jesus our redeemer

**A E B**

By His wounds forever we are healed

**C#m B E A E**

We believe, the cross will stand forever

**A B E**

In its shadow we find victory

### **Verse 3**

Soon the day will greet us when He will come to reign  
To gather up his children, and take us home to reign  
Where there will be no sorrow and every fear is gone  
For we will live forever in the triumph of the cross
