

YES UNTIL YOU SAY NO (Key of G)

Jasmyn Ferson, Nick Herbert, Ryan Griffith

Intro: G // C // G/B // C

Verse

Lord, I am searching, trusting for one thing
That You will lead me, whatever it looks

Verse 2

Lord, You surround me with goodness and mercy
So I will obey You, whatever it looks, God

Chrous

I'm gonna live every day like You say yes until You say no
I'm gonna live every day like You say yes until You say no
I'm gonna take up my cross and follow You wherever You go
I'm gonna live every day like You say yes until You say no

Bridge

Lord I wanna spend my days brining honour to Your name
Living all my life in full surrender
When I open up my eyes and I see You by my side
What then shall I fear? I'm pressing forward
